ESPIONAGE - R

Reference is made to the surveillance log of Special Agents CHARLES R. WOOD, JR. and A. JAMES ANDERSON, JR. for August 17, 1950 (65-2728-Sub B serial 153).

It is to be noted that in connection with this surveillance, MICHAEL SIDOROVICH left his apartment at 8:21 in company with ANNE SIDOROVICH and baby driving by devious routes to Lockyear, between 78th and 79th Streets. The surveilling agents observed MICHAEL SIDOROVICH go into a house on Lockyear which could have been one of the following addresses: 7503, 7507, 7509, 7417 or 7515. A 1929 or 1928 Chevrolet, bearing Ohio license QY-828, was observed to drive up to one of these houses and the driver entered one of the houses. This registration was ascertained to be to FRANK GRIES, 7503 Lockyear.

A check of the 1947-48 City Directory and the current criss-cross telephone directory, reflects that the following individuals are probably residing at the above-mentioned addresses:

7417 Lockyear	JOHN NOVAK FRANK J. MENCIN JOSEPH GRDINA, listed only in the current telephone directory OTTO H. SELISKAR (this name was listed in the 1947-48 City Directory, but there was no listing in the criss-cross telephone directory.)
7503 Lockyear	FRANK J. GRIES
7507 Lockyear	WILLIAM J. GASPER (down) ROBERT C. BONNELL (up)
7511 Lockyear	JOSEPH J. KRISCH (down) (listed in 1947-48 Directory, while HELEN KRISCH is listed in current telephone directory)

Memo  
65-2728

7515 Lockyear      JOHN CHLOPEK (up)  
                     ANTON S. TRIEBER, JR. (down)

7517 Lockyear      DAMIAN ROEDER

[REDACTED] ANDREW J. OBERG, who had been listed in the 1947-48 directory as residing at 7511 Lockyear, revealed that this family had moved away and that the downstairs apartment at that address had been occupied by a married daughter named, DOROTHY, of JOSEPH J. KRISCH. Mrs. OBERG was unable to furnish the married name of DOROTHY KRISCH. 137E

A check of the Cleveland indices against the above names was made and the following were discovered to have no record:

FRANK J. MENCIN  
FRANK J. GRIES  
WILLIAM J. GASPER  
ROBERT C. BONNELL  
DOROTHY KRISCH  
JOHN CHLOPEK  
DAMIAN ROEDER

Numerous references were contained on JOHN NOVAK, but none were identifiable with the individual living on Lockyear.

Information on ~~JOSEPH J. KRISCH~~ ~~and HELEN KRISCH~~ can be found in main file 100-8362 wherein the KRISCH's during World War II were reported for pro-Nazi sympathies by neighbors.

Information contained in the Cleveland files on JOSEPH GRDINA of St. Clair Ave., who had been a member of the All-Slav Congress Committee on Win the War, but nothing could be identified with the instant JOSEPH ORDINA. 1

Information in 100-989-Sub A 491 page 12 is to the effect that a party by the name of TRIEBER, who worked at Mt. Sinai Hospital, was to be a secretary of a Cleveland Committee of the American Soviet Friendship Council for the purposes of a mass meeting in connection with a speech to be made in New York City by JOSEPH DAVIES, former American Ambassador to Russia. [REDACTED] ANTON S. TRIEBER, SR., who also lives on Lockyear, revealed that neither TRIEBER SR. or TRIEBER, JR. or anyone known to TRIEBER SR. had ever been connected with Mt. Sinai Hospital. 07E

Memo  
65-2728

Credit records were checked on FRANK J. GRIES, HELEN KRISCH, and WILLIAM J. GASPER, inasmuch as those addresses covered the location where SIDOROVICH most likely entered and no record was found concerning GASPER or GRIES. Credit of HELEN KRISCH was referred to as good in the period from 1936 to April 1949.

Criminal check was made against the names of FRANK GRIES, WILLIAM GASPER, HELEN KRISCH and ROBERT C. ~~DONNELL~~ and the only information developed were minor traffic violations on individuals of a different address, but bearing the same name as ~~ROBERT C. DONNELL~~ and GASPER.

A lead is being prepared for ~~SIDOROVICH~~ to be questioned concerning his acquaintanceship with any of the above individuals in the event of a future interview with SIDOROVICH. In the event that SIDOROVICH is not reinterviewed, a neighborhood investigation be conducted in the above neighborhood to ascertain the possible knowledge of these individuals of SIDOROVICH.

7:00 AM Special Agents JOHN E. FOLEY and EDWIN B. BIRNEY on duty at 8706 Carnegie Ave.

8:12 AM Subject left apartment building and entered his car and drove to The Gas Machinery Co., 16100 Waterloo. He parked his car and entered the building.

10:30 AM Man (white, 40, stout, 5' 8", 190 lbs., light hair, wearing tee shirt and khaki trousers) came out of 8706 Carnegie and stood on building step for several minutes observing traffic and then returned inside.

11:45 AM Subject's car observed on Gas Machinery Co. parking lot.

12:15 PM Subject's car still in parking lot.

12:35 PM Subject, driving his car, left Gas Machinery Co. driveway and turned west on Waterloo. About one block west of the Gas Machinery Co., he stopped his car opposite a man (white, 35, 5' 11", 185 lbs., light brown hair, no hat, glasses, sport coat) and motioned to this person to get into his (subject's) car. Man was on north side of Waterloo. The man waved subject on and told him "go ahead" and subject started car and continued west on Waterloo. The man then entered, after several minutes, from the passenger side, a 1949 (?) Chevrolet convertible, Ohio license L-791-K driven by another person, which car proceeded west on Waterloo. Inasmuch as Gas Machinery Co. was then closing for the day and numerous employees of the company were leaving, it appeared that the man to whom subject offered a ride may have been a fellow employee and also that car L-791-K belonged to an employee of the company.
